

Books		
Title	Author(s), edition, publication date, isbn	Description
Ages of Gaia	James Lovelock, 1995, 0192862170	Describes how life and the material earth evolved as a
Argyll and the islands: a landscape fashioned by	David Stephenson & Jon Merritt, 2012,	Describes geology of a landscape dominated by long
Atlas of structural geology	Soumyajit Mukherjee, 2015, 9780124201521	250 colour photos include folds, shear zones, faults, veins,
Auvergne	Peter Cattermole, 2001, 978190354405X	Classic geology in Europe 2. geological guide for broad
Basic geological mapping	John Barnes, 3rd ed. 1995, 9780471960317	Provides basic guide to field techniques
Britain beneath our feet	British Geological Survey, 2004, 0852724799	Overview of Britain's land quality, underground hazards,
The buildings of England: Worcestershire	Alan Brooks and Nikolaus Pevsner, 2007,	Updated and expanded edition of Pevsner's invaluable guide
Canary Islands	Juan Carlos Carracedo & Simon Day, 2002, 1903544076	Classic geology in Europe 4, geological guide for broad
The Central England district: British regional geology	Edmunds and Oakley, 2nd ed. 1958, no isbn	British Geological Survey regional guide
Coal and the coalfields in Wales	North, 1931, no isbn	Nature and origin of coal and its distribution in Wales
A colour atlas of rocks and minerals in thin section	W. F. MacKenzie & A. E. Adams, 1994, 9781874545170	An introduction to use of thin sections with good colour
Cornwall's geological heritage	Peter Stanier, 2006, 9780906294611	An outline geological history and suggestions of places to
Crystals	Ian F Mercer, 1990, 0565010832	Well illustrated introduction to the world of crystals
Cyprus	Stephen Edwards et al., 2010, 9781903544150	Classic geology in Europe 7, geological guide for broad
David Attenborough's first life: a journey back in time	Matt Kaplan, 2011, 9780007365241	TV tie in looks at key developments in the evolution
The dark side of the earth	Robert Muir Wood, 1986, 0045500487	History of how plate tectonics changed geology
Death of an ocean (Geological Borders Ballad)	Euan Clarkson & Brian Upton, 2010, 9781906716028	The demise of the Iapetus ocean and the development of
Dictionary of geology	Penguin Reference, 2nd ed. 2001, 9780140514940	Concise and informative dictionary for wide audience
The Dorset landscape	John Chaffey, 2004, 1871164435	A guidebook with descriptions and photos of places to visit
The dragon seekers. The discovery of dinosaurs	Christopher McGowan, 2001, 0349117101	Historical account of 19th Century fossil hunters
The dynamic earth, an introduction to physical	Skinner & Porter, 2000, 0471161187	The physical geology of the earth with illustrations, maps &
Earth	Press & Siever	Respected book about the physical geology of the earth

The earth: a very short introduction	Martin Redfern, 2003, 9780192803078	Fascinating facts on the earth's history
The earth from space	Goodplanet Foundation, 2013, 9780500517215	Over 150 stunning satellite photographs
Earth in 100 groundbreaking discoveries	Douglas Palmer, 2011, 9780857385017	Story of the development of the earth with impressive
Earth's deep history: how it was discovered and why it	Martin Rudwick, 2014, 9780226203935	Story of the discovery of earth's immensely long history
Elementary crystallography	J. Evans & G. Davies, 1924, no isbn	Technical textbook for students
End of dinosaurs: Chicxulub Crater and mass extinctions	Charles Frankel, 1999, 0521474477	Explanation of the mass extinction of 65 million years
The eternal quest: the story of the great naturalists	Alexander Adams, 1970, 009457040x	Readable history of naturalists including Cuvier, Lyell, Agassiz,
Field geology, minerals and rocks	J. F. Kirkaldy & D. E. B. Bates, 1988, 18507913333	Guide to geological structures, rocks and minerals and where
Fossils: 300 of the earth's fossilized species	Carl Mehling editor, 2007, 9781592237371	Colour photos and descriptions of 300 fossils
Gemstones	C. Woodward & R. Harding, 1987, 0565010115	Well illustrated introduction to the world of gemstones
Geological excursions in Powys	Ed. by N. Woodcock & M. Bassett, 1993, 0708312179	A geological history of Powys followed by 15 field trip
<i>Geological field techniques</i>	<i>Ed. by Angela L. Coe, Open University, 2010,</i>	<i>Guide to collecting field data on rocks and geological</i>
Geological history of Britain & Ireland	N. Woodcock & R. Strachan, 2012, 9781405193818	The varied geological history written for undergraduate
Geological history of the British Isles	Hunter & Easterbrook, 2009, 9780749201388	A geological history designed for geology
The geological map : an anatomy of the landscape	Eric Edmonds, 1983, 0118807218	A guide to the geological map of UK with more detail of some
<i>Geological science</i>	<i>Andrew McLeish, 1986, 9780174482215</i>	<i>Concise A level text book</i>
Geology and landscape of Cornwall & Isles of Scilly	Simon Camm, 2011, 9780906720837	Describes and explains the best sites for local geology and
Geology and the environment	Pipkin & Trent, 2001, 0534375154	Describes the link between geological systems and our
Geology explained in Severn Vale & Cotswolds	William Dreghorn, 1973, 0715341022	A sort of geological "Wainwrights" with line
Geology in Shropshire	Peter Toghill, 2nd ed. 2006, 9781861268037	Updated account of varied geology of Shropshire, for all
The geology of Britain: an introduction	Peter Toghill, 2000, 9781840374049	Clear explanation of the varied rocks and landscapes of the UK
Geology of the Canadian Rockies	Rick Langshaw, 1989, 0919934218	Guide to the geology of the Canadian Rockies
Geology of the Country around Droitwich, Abberley and	Mitchell, Pocock & Taylor, 1961, no isbn	British Geological Survey detailed explanation of the
Geology of the Jurassic Coast	Richard Edwards, 2008, 9780954484545	Explains rock and landscapes of the coast from Exmouth to

Geology of Oxfordshire	Philip Powell, 2005, 9781904349198	Illustrated account of the varied geology of Oxfordshire
Geology of Pembrokeshire	Brian S. John, 1998, 1872887201	A description of the geology with b & w illustrations
Geology of Sierra Nevada	Mary Hill, 1975, 0520026985	Guide to the geology of Sierra Nevada in California
Geology of South Shropshire	M. Allbutt et al. , 2002, 090071784x	A Geologists' Association guide
Geology of the Whitbourne District: Technical report	W. J. Barclay and P. A. Rathbone, 1990, no isbn	A British Geological Survey guide
Geology - the key ideas	David A. Rothery, 2010, 9781444103120	Provides clear explanations of complex geological processes
Geology the science of the earth	Martin Stirrup, 1980, 0521225671	Informative and clear this is written for secondary school
The Geopark Way: 109 mile walking trail through the	H&WEHT, 2008, 9789558390092	Guide to walking the Geopark Way in 17 sections
<i>Geoscience: understanding geological processes</i>	<i>Dee Edwards & Chris King, 1999, 9780340688434</i>	<i>Well illustrated 'A' level and 1st year undergraduate textbook</i>
The Goldilocks planet	Jan Zalasiewicz & Mark Williams, 2012,	Four billion year story of the earth's climate
Granite and grit (walker's guide to UK mountains)	Ronald Turnbull, 2009, 9780711231801	Describes in words & photos the 17 sorts of stones that
Guide to the geology of Martley	HWEHT, 2012, no isbn	Local research with plenty of diagrams and photos prepared
The Gulf of Corinth	Mike Leeder et al. , 2007, 9781903544235	Classic geology in Europe 11, geological guide for broad
Himalaya	Michael Palin, 2004, 0297843710	To tie in with BBC TV series, this is one of Palin's popular
Hutton's arse , geology in Scotland's Northern Highlands	Malcolm Rider, 2007, 0954190637	Describes the 3 billion year geology of Scotland's Northern
The ice age: a very short introduction	Jamie Woodward, 2014, 9780199580699	Examines the quaternary ice age and its changing
Iceland	T. Thordarsson & A. Hoskuldsson, 2002,	Classic geology in Europe 3, geological guide for broad
Illustrated Guide to Church Stretton Area	Keith Hotchkiss, 2008, 1874200181	Describes the geology on 4 trails
Introducing geology: a guide to the world of rocks	Graham Park, 2010, 9781906716219	Easily accessible and comprehensive introduction to
Introducing geomorphology: a guide to landforms and	Adrian Harvey, 2012, 9781906716325	Easily accessible introduction to geomorphology
Introducing palaeontology: a guide to ancient life	Patrick N. Wyse Jackson, 2010, 9781906716158	Easily accessible introduction to palaeontology
Introducing tectonics, rock structures and mountain belts	Graham Park, 2012, 9781906716264	Easily accessible introduction to tectonics and structural
Introducing volcanology: a guide to hot rocks	Dougal Jerram, 2011, 9781906716226	Easily accessible introduction to volcanology
An introduction to geological structures & maps	Paul Olver, G. Bennison, K. Moseley, 2011, 8th ed.	Leads students from simple geological structures to more

Italian volcanoes	Chris Kilburn & Bill McGuire, 2001, 9781903544041	Classic geology in Europe 1, geological guide for broad
James Hutton: the founder of modern geology	Donald McIntyre & Alan McKirdy, 2012,	A leading figure who established that the earth is
John Muir: the Scotsman who saved America's wild places	Mary Colwell, 2014, 9780745956664	Biography of founding father of National Parks of America
King of Siluria: how Roderick Murchison changed ... geology	John L. Morton, 2004, 0954682904	Geologist who differentiates and names the silurian,
Krakatoa: the day the world exploded	Simon Winchester, 2003, 0670911267	Popular account of the volcano that erupted in 1883
Landscapes of stone	J.B. Whittow, 1986, 0905483502	Describes the stone underlying Britain's landscapes and its use
Leinster	Chris Stillman George Sevastopulo, 2005,	Classic geology in Europe 6, geological guide for broad
The lie of the land: an under the field guide to the British	Ian Vince, 2010, 9780330535397	Wonderfully readable introduction to British geology
Life: a natural history of the first four billion years of life on	Richard Fortey, 1997, 9780006384205	Bestselling popular science biography of rock and life
Limekilns and limeburning	Richard Williams, 1989, 0747800375	Describes history and different types of lime kilns
Lime kilns in Worcestershire	Nils Wilkes, 2015, no isbn	99 looseleaf pages of illustrated research including
<i>The Macmillan field guide to geological structures</i>	<i>John L Roberts, 1996, 0333662954</i>	<i>Guide to rocks and fossils as part of the geological process</i>
The map that changed the world	Simon Winchester, 2001, 0670884073	Popular account of William Smith and his geological map
The North of Ireland	Paul Lyle, 2003, 1903544084	Classic geology in Europe 5: geological guide for broad
Observer's book of geology	I.O. Evans, 1968, no isbn	Includes picture of Pennyhill rock beds near Martley
<i>OCR geology</i>	<i>Debbie Armstrong et al, 2008, 9780435692117</i>	<i>Well illustrated GCE geology textbook</i>
Orkney and Shetland: British regional geology	W. Mykura, 1976, 0118801619	British Geological Survey regional guide
The pebbles on the beach	Clarence Ellis, 1954, 0571068146	Readable introduction to UK geology using pebbles you
Philip's guide to minerals, rocks and fossils	A.C. Bishop, 2001, 9780540074297	Classic identification guide for amateur and specialist
Plates vs plumes: a geological controversy	Gillian Foulger, 2010, 9781405161480	Reviews the plate and plume hypotheses in this paradigm-
The Precambrian inlier at Martley, Worcestershire:	Barclay, Paul Olver, Sue Hay et al., 2013, no isbn	Local research reprint from Transactions of the Woolhope
Principles of paleoecology	Derek Ager, 1963, no isbn	The study of how and where animals and plants lived in the
Principles of physical geology	Arthur Holmes, 1944, no isbn	First edition of seminal work which influenced generations
Raging planet	Bill McGuire, 2005, 184573064X	Analysis of volcanoes and earthquakes, with many

Remarkable creatures	Tracy Chevalier, 2009, 9780007178384	Bestselling novel about fossil collector Mary Anning
The River Teme	John Bradford, 2008, 9780954981358	A Journey following the river from Worcester to its source
Rocks, minerals & fossils of the world	R. Phillips & C. Pellant, 1990, 0330299530	Excellent photographs with informative text
Rock trails Lakeland: a hillwalker's guide	Paul Gannon, 2009, 9781906095154	Describes the geology for hillwalkers with clarity,
Rock trails Peal District: a hillwalker's guide	Paul Gannon, 2011, 9781906095246	Describes the geology for hillwalkers with clarity,
Rock trails Scottish Highlands: a hillwalker's guide	Paul Gannon, 2012, 9781906095383	Describes the geology for hillwalkers with clarity,
Rock trails Snowdonia: a hillwalker's guide	Paul Gannon, 2013, 9781906095420	Describes the geology for hillwalkers with clarity,
S260 Geology Block 1: Maps and landscape	Open University, 2002, 749280387	Level 2 student coursebook, well illustrated with questions
S260 Geology Block 2: Earth materials	Open University, 2002, 749280395	Level 2 student coursebook, well illustrated with questions
S260 Geology Block 3: Internal processes	Open University, 2002, 749280409	Level 2 student coursebook, well illustrated with questions
S260 Geology Block 4: Surface processes	Open University, 2002, 749280417	Level 2 student coursebook, well illustrated with questions
Sand stone and sea stacks	Ronald Turnbull, 2011, 9780711232280	An illustrative guide to the geology of Britain's coast, a
Scotland: the creation of its natural landscape	McKirdy & Crofts, 2010, 9781853976711	Well illustrated introduction to geology of Scotland
The shaping of the Isle of Wight with an excursion guide	Eric Bird, 1997, 0948578831	Describes the geology with maps, b&w photos and 12
Slate quarrying in Wales	Alun J. Richards, 2006, 1845270266	A history of slate quarrying
Snowball earth	Gabrielle Walker, 2003, 0747568502	Geological adventure story about the theory of a super ice
Story through time	Patrick Mc Keever, 1999, 1899702237	Describes the formation of landscapes in Northern Ireland
Strata: the remarkable life story of William Smith.....	John L. Morton, new ed. 2004, 9789546829122	Smith pioneers stratigraphy and creates the first geological
<i>Stromatoporoids - a collection of papers</i>	<i>Stephen Kershaw and others</i>	<i>Reprints on Stephen Kershaw's research on this important</i>
Supercontinent: ten billion years in the life of our planet	Ted Nield, 2007, 9781847080417	Entertaining look at the supercontinent cycle
Survivors: the animals and plants that time has left behind	Richard Fortey, 2011, 9780007209873	Life forms that have survived almost unchanged through
This shrinking land: climate change and Britain's coasts	R. Duck, 2011, 9781845861186	Examines how the British coast is changing and why
Trilobite! Eyewitness to evolution	Richard Fortey, 2000, 9780006551386	Popular book about trilobites
Vanished ocean: how Tethys reshaped the world	Dorrick Stow, 2010, 9780199214280	Describes the geology of the Tethys ocean which

Vesuvius, a biography	Alwyn Scarth, 2009, 9781903544259	Colourful history of famous volcano
The Wealden District: British Regional Geology.	R. W. Gallois, 4th ed, 1965, 118840789	British Geological Survey regional guide
The Welsh borderland: British regional geology.	J. R. Earp and B. A. Haines, 3rd ed, 1971, 0118801228	British Geological Survey regional guide
<i>The winelands of Britain: past, present & prospective</i>	<i>Richard C. Selley, 2nd ed, 2008, 9780954741921</i>	<i>Describes two millenia of viticulture and the detirring</i>
Worcester and its regions: field studies	Worcester Branch of the Geographical Assoc, 1974, no	Includes River Teme pleistocene geomorphology
Yorkshire geology	Paul Ensom, 2009, 9781904349648	An illustrated account of the geology of Yorkshire

Geological maps

Church Stretton ; Sheet 166 ; Drift edition ; 1967	Institute of Geological Sciences ; One-inch series	
Droitwich ; Sheet 182 ; Solid and drift edition ; 1976	British Geological Survey ; 1:50 000 series	
Hereford ; Sheet 198 ; Solid and drift edition ; 1989	British Geological Survey ; 1:50 000 series	
Ludlow ; Sheet 181 ; Solid and drift edition ; 2000	British Geological Survey 1:50 000 provisional series	
Worcester ; Sheet 199 ; Solid and drift edition ;	British Geological Survey ; 1:50 000 series	
Oman geological ophiolite project ; maps 4/5 ; 1982	Government of Sultanate of Oman ; 1:100,000	

Magazines include some copies of the following:

Deposits magazine	UKGE
Earth matters	Newsletter of Geology Section, Woolhope Naturalists' Field Club
Magazine of the Geologists' Association	
Worcestershire Record	No 37, Nov 2014

Abberley and Malvern Geopark Walk: Mambles & Hunthouse collierie / J Calderbank
